The prostitution of the foreign pervice of the government to spoils politics was carried out in the spirit of Secretary of War Bryan's letter to Collector of Customs Vick in San Dominion and the collector of Customs Vick in San to Collector of Customs Vick in San Domingo asking to be advised of available berths for "descring Democrats." Here are a few examples, the qualifications of the appointee in each instance being quoted from the Pan-American Union bulletin:

John D. O'Rear, of Missouri, appointed minister to Bolivia in place of Horace G. Knowles, a diplomat of twenty-five years' experience. O'Rear "served the Democratic state committee. He brings to his new post the energy and enthusiasm of youth.

Thousands of people normally healthy in every other respect, are amoyed with a persistent hanging-on bronchial cough year after year, disturbing their sleep and making life disagreeable. It's so needless-there's an old home-made remedy that will end such a cough easily and quickly.

Get from any druggist "2½ ounces of Pinex" (50 cents worth), nour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Begin taking it at once. Gradually but surely you will notice the phlegm thin out and then disappear altogether, thus ending a cough that you never thought would end. It also promptly loosens a dry or tight cough, stops the troublesome throat tickle, soothes the irritated membranes that line the throat and bronchial tubes, and relief comes almost immediately. A day's use will usually break up an ordinary throat or chest cold, and for bronchitis, croup, whooping cough and bronchial sathmat there is nothing better. It tastes pleasant and keeps perfectly.
